

POP 28 Believe in Everything

This may be my favorite episode of the series. I've been dying to draw Ichi and Goude's scenes and was really able to do it. I really enjoyed drawing this storyboard.

POP 29 The Power of Love

This is the final episode. Since the plot was planned ahead of time, all I needed to do was put it on the paper. This one included the scenes in consecutive double-page spreads, and I like them for showing Zera and Am's everyday life. I wish you happiness!

I think...

I-I'm
not
sure.

What

Lero?

I feel happy.

Yes,
it makes
me feel...

How

Book-Signing

What's best?

I had a book
while
I was
in school.

I wore a
pink
dress on
the book-

and got...

I do... love

But
you...died
so I never

I don't have a big
in my heart to hope
is not a dream. I
am in my heart. I
am in my heart. I
am in my heart.

Honestly,
it's not
hard to
find
a book
and
read.

Like
many
of us
do.

I thought...
I was never
see you...

I feel
better
in my
regular
life.

I enjoy
shopping
for books
and I'd
like to go
again.

What?

I love you!

Nina!

I'm so happy!

Awesome!

What?!

Zero!

Yeah!

I love you, too!

My number

I love him
more than
anyone in this
world.

Thank
you very
much...

...Amp...

Our hearts
are finally
connected.

Your
lover's one
to blame.

Let's take one
less picture.

On!

That's all
you need to
be happy.

Are you
sure,
Rokko-
sama?

I love you,
For-chan.

Let's
join
them,
Go.

I have
friends...

Yes...

Hey,
are you
all right,
Rokko?

...with
delightful,
colorful
personalities,
like chocolate!

Let me
join in!

It's not
nearly.

No more
break!

UNT

Don't you
think I can?

Whoa!

Don't
jump
on me,
Rokko!

Really, Ich-
sama?

Um...
Well...

Good
to
see
you.

Do you
love me,
For-chan?

Don't
dye!

Get
lost!

Come on,
Zero.

Wait,
Ich-
sama.

Let's stay
together...

I've
always
loved you.

Keeping
close to
you...

02-03

I love you, too.

It's the
power of
love.
♡

★★ THE END ★★

You heard
me!

So what
kind of
power was
it?

Let's
go.

And
a guy I
love.

I want
them to
be able.

I love
you...

...Love.

It's my
wage.

Oh,
Pam,
that's...

Here
we go,
Pam!

I will make
miracles
happen for
them.
